

# **Bano Qabil Tech Talent Connect**

## **Event Strategy & Execution Plan**

### **SECTION 1: MODEL A – PURE JOB FAIR (HIRING FOCUSED MODEL)**

#### **1. Event Overview**

- **Event Name:** Bano Qabil Tech Talent Hiring Day.
- The event is designed as a structured hiring platform where Bano Qabil graduates directly interact with industry employers.
- The primary objective is to facilitate on-spot interviews and generate shortlisting opportunities for internships and entry-level roles.
- The event will host approximately 20–25 companies including software houses, startups, agencies, BPOs, and tech-enabled organizations.
- Expected student participation is between 250–350 pre-registered and screened candidates.
- Target impact includes conducting more than 200 interviews and generating at least 50 shortlists for further hiring stages.

## 2. Event Schedule (10:00 AM – 5:00 PM)

- **10:00 – 10:45 AM:** Registration of students through QR-based check-in system and booth setup by participating companies.
- **10:45 – 11:15 AM:** Opening ceremony including Quran recitation, brief introduction of Bano Qabil, explanation of interview structure, and keynote remarks.
- **11:15 AM – 1:45 PM:** Hiring Session 1 where structured interviews, CV collection, and employer-student interactions take place.
- **1:45 – 2:30 PM:** Lunch break combined with structured networking between employers and shortlisted candidates.
- **2:30 – 4:30 PM:** Hiring Session 2 focusing on priority interviews, second-round discussions, and final CV submissions.
- **4:30 – 5:00 PM:** Closing remarks, announcement of preliminary KPIs, acknowledgment of participating companies, and group photograph.

## 3. Interview Structure & Flow

- Companies will be categorized into three booth types:
  - Info Only (company awareness and networking)
  - CV Collection (resume gathering for later review)
  - On-Spot Interviews (immediate screening and interviews)
- Each interview will be structured into 15-minute slots to ensure smooth time management and prevent overcrowding.
- Volunteers will be assigned to manage queues and maintain interview scheduling sheets.

- Students will be pre-tagged according to skill domain (e.g., Web Development, Design, Marketing, Data, etc.) to enable better employer matching.
- A dedicated CV Review Desk will be available to help students refine their resumes before appearing for interviews.
- A live tracking sheet will be maintained to record the number of interviews conducted and shortlists generated.

#### **4. Post-Event Follow-Up Plan**

- Within 72 hours, categorized CV bundles will be sent to all participating companies.
- Companies will receive structured feedback forms to assess student quality and event organization.
- Students will receive an email containing:
  - List of participating companies
  - Application links
  - Interview preparation tips for second rounds
- Within 30 days, hiring results will be collected and an impact report will be published on LinkedIn and shared internally.

## **MODEL B – JOB FAIR + WORKSHOPS (HYBRID MODEL)**

### **1. Hybrid Event Overview**

- The event will be positioned as “Hire + Upskill in One Day.”
- It combines structured hiring with practical skill-enhancement workshops.
- The hiring window will remain the primary focus of the event.
- Workshops will be scheduled after the main hiring session to avoid divided attention.

### **2. Hybrid Event Timeline**

- **10:00 – 10:30 AM:** Registration and check-in.
- **10:30 – 11:00 AM:** Opening ceremony and event briefing.
- **11:00 AM – 1:30 PM:** Primary Hiring Window (no workshops during this time).
- **1:30 – 2:15 PM:** Lunch and networking session.
- **2:15 – 4:15 PM:** Workshop sessions conducted in parallel with controlled capacity.
- **4:15 – 4:45 PM:** Structured panel discussion.
- **4:45 – 5:00 PM:** Closing ceremony and acknowledgments.

### **3. Workshop Structure**

- Workshops may include topics such as:
  - AI for Career Growth
  - Blockchain Careers
  - Freelancing Strategy
  - Entrepreneurship Basics
- Each workshop will be limited to 40–60 students through pre-registration.
- Sessions must be practical and outcome-driven rather than theoretical lectures.
- Clear learning objectives will be defined before the event.
- There will be no overlap between the hiring window and workshops to prevent divided focus.

### **4. Panel Discussion Structure**

- Topic: “What Companies Expect from Fresh Graduates.”
- The session will be moderated to maintain structure and time control.
- Five predefined key questions will guide the discussion.
- A 10-minute audience Q&A segment will be included.
- The panel will include 3–4 industry leaders or HR professionals.

## RISKS & MITIGATION STRATEGY

### Identified Flaws and Solutions

- **Overcrowding** (Pre-registration mandatory, capacity cap implemented, and QR-based entry control).
- **Interview Chaos** (Structured 15-minute interview slots, queue management volunteers, and centralized tracking sheet).
- **Low Student Quality** (Pre-event CV screening and skill-based tagging system).
- **Divided Attention in Hybrid Model** (No workshops during primary hiring window).
- **Weak KPI Tracking** (Dedicated data volunteer and live reporting system during event).
- **Unstructured Panel Session** (Moderator-led discussion with predefined questions).
- **Poor Follow-Up** (Structured 72-hour email system and 30-day hiring impact tracking).

### KPIs & Success Metrics

- Number of participating companies.
- Total student registrations and attendance rate.
- Number of interviews conducted.
- Number of shortlists generated.
- Final hires confirmed within 30 days.
- Workshop attendance and feedback ratings (Hybrid Model).

## **Marketing Strategy (Model A & B)**

- **Phase 1 – Authority Building:**
  - Official launch announcement on LinkedIn.
  - Gradual reveal of confirmed companies to build credibility.
  - Highlight previous student success stories.
- **Phase 2 – Student Activation:**
  - Distribution of WhatsApp posters within BQ communities.
  - Domain-specific targeting (Web, Design, Marketing, etc.).
  - Release of short preparation reels explaining how to prepare for interviews.
- **Phase 3 – Urgency Campaign:**
  - Countdown posts leading to the event.
  - Limited registration messaging to create exclusivity.
  - Reminder emails and SMS to registered students.
